

Program for Legislative Listening Session
Forest City, Iowa - 23 November, 2019, 9:00am

I. Citizen input.

All attendees will have an uninterrupted opportunity to express themselves on any topic related to state government. Order of speaking will be by random draw. Time of each speaker will be limited, depending on number of attendees. Plan on speaking two minutes or less. Speakers will be signaled when their time is up.

After attendees have spoken and as time permits, written statements provided by residents of the legislative districts who cannot attend may be read, subject to the same time limits as speakers present.

A list of topics addressed by speakers will be kept for reference during the Legislator comments period following.

2. Legislator comments

When all citizen input is completed, the list of topics will be arranged in categories and the legislators will have an opportunity to comment.

3. General discussion

As time permits, the moderator may recognize speakers for a general discussion.
